Heather Carr

Born in: Co. Mayo, Ireland

Started Dancing: I started dancing when I was five years old.

Inspirations: My biggest inspirations are Ciara Sexton & Liam Tighe, they are both amazing dancers.

Best Dancing Friends: Greg Molony, Deirdre Gillette, Maggie Doyle, Niamh & Aoibheann Walsh, Aine Coleman.

Highlights: When I won Worlds in 2009 in Philadelphia. It was the best feeling ever because the year before I placed 7th so I worked really hard and it all paid off.

What Next: I have won my Oireachtas nine times in a row so my aim is to try and make it ten in a row this year

Future Plans: to compete for another few years, after that I would love to join a show.
